- a. Participants shall consist of U-13 (2009) through U-18/19 combined age group (2004/2003) boys and girls teams. Please see Attachment D for the age group structure.
- b. Selected Regionals; The West & Mid-Atlantic Regional, will include a U-12 (2010) age group, and participating teams in those brackets will compete in the Regional only and not advance to the National Cup Finals. The U-12 division will only be a 2 day event.
- c. Two levels of competition – Super Group (most competitive) and Premier Group – will be available.

Teams can request to play in either the Super or Premier Group, however, a tournament committee will provide input on seeding and review all tournament and league history. If deemed appropriate, teams may be moved to a group more in line with their competitive level.

- d. A \$100 surcharge for the National Cup XXI application fee will be assessed should teams miss the registration deadline. In addition, acceptance for teams that miss the deadline will be based on availability and is not guaranteed.
- e. The application deadline is three weeks prior to the first day of each Regional event. Teams should review the website and application for this information. If an age group is over-subscribed, or if the number of applicants cannot be accommodated in an acceptable competitive format, the following criteria can be considered in determining entries:
 - Prior National Cup results
 - Team's competitive level (but at the Super Group level only)
 - If the U-12 or U-13 age groups are oversubscribed, consideration for entry may be given to clubs that have also entered teams in older age brackets
 - Date of a team's application, regardless of the application deadline
- f. US Club Soccer reserves the right to accept or reject any application.
- g. The application fee is non-refundable. A \$1,000 penalty will be imposed for any team that drops within three weeks of the Regional for which the team applied.

2. TOURNAMENT AUTHORITY

The Tournament Director shall have ultimate authority over all tournament competitions and discipline matters. The interpretation of the rules and all decisions of the Tournament Director are final. The Tournament Director may be assisted by Regional Competition Directors and the Tournament Rules and Discipline Committee. For the purposes of these rules, the authority of any Competition Director and the Tournament Director shall be synonymous.

The Tournament Rules and Discipline Committee shall be appointed by the US Club Soccer Executive Director and will minimally consist of the Tournament Director, Competition Director and any US Club Soccer Board of Directors member in attendance. In all matters of discipline, with the exception of an alleged incident of misconduct towards a game official, the Tournament Rules and Discipline Committee shall render a determination and send a report to the US Club Soccer Discipline Committee pursuant to this section.

3. COMPETITION FORMAT

Please refer to pages 8 and 9 for more details regarding competition formats for various bracket sizes. - b. Shall determine the schedule and start times of all games, including adequate rest time between games, and altering the schedule of one game per day where necessary.
- c. Champions in both the Super Group and Premier Group in the U-13 (2009) through U-18/19 (2004/2003) age groups from each National Cup XXI Regional and qualifying state cups will advance to the National Cup XXI Finals, to be held July 14-18, 2022 (Girls) & July 17-21, 2022 (Boys). There is no additional entry fee for advancing to the National Cup XXI Finals.

4. ROSTER RULES

Any player registered with and issued a passcard for a US Club Soccer member club, academy or sanctioned league team, who is a member of the designated age group or younger, is eligible to be placed on the tournament roster. No guest or loan players shall be allowed. No players may be added to a tournament roster other than pursuant to these rules unless an emergency situation arises and permission is obtained in writing from the Tournament Director.

- a. **Maximum Tournament Roster Size:** Up to 26 players. Teams are expected to register all known players three weeks prior to their competition (including submitting paperwork and fees). Please note that there may be an increased wait period for passcard processing due to high demand. Individual players may be added to the Roster until the Roster Freeze Deadline. Note: roster freeze for the National Cup competitions will be 2 days prior to the first day of the competition.
- b. **Playing on more than one team:** A player may play on only one team at any Regional competition, other than as set forth herein. If a Regional or State team does not qualify to the National Cup XXI Finals, the player may play on another team for the same club at a later Regional competition or at the Finals. If a player is properly dual-carded to another team with another organization, the same rule set forth above shall apply to such player. Unless properly dual-carded, a player is Cup-tied to his/her first Cup club. Under no circumstances may a player play for one team in the qualifying play, then be released by the club, and play for a second club.
- c. **Coaching staff and team managers:** A minimum of 2 adults must be listed on the official roster and have appropriate passcards. Staff who intend to be on team bench **MUST** be included on the official roster. A maximum of 3 coaches/team staff will be allowed on a team bench at one time.
- d. **Players at National Cup Finals:** After the Regional competitions and qualifying state cups, for teams qualifying to the Finals, players may be dropped or added without limitation up to the maximum roster size, as long as any new players to be added were registered with the member club or league team at the start of the team's National Cup XXI Regional competition or qualifying state cup. If the club has had tryouts since the Regional or State Cup, they may add up to three new players from such tryouts that have committed to and registered with the club for the next registration year. Any other roster emergency requests shall be determined by the Tournament Director on a case-by-case basis.
- e. **Game roster size:** Up to 18 players, selected from the tournament roster of up to 26 players. U-12 (9v9) roster consists of up to 16 players selected from the tournament roster.

- f. **Official Roster:** Jersey numbers MUST be included for all players on the Official Roster which is turned in prior to the start of the competition. If during the competition a player jersey number needs to change for any reason, approval from the Tournament Director must be provided prior to playing subsequent games.

Once a player is substituted in overtime, the player may not re-enter the game. There shall be a maximum of seven (7) substitutions in any half or in overtime of any competition. In case of a serious injury (player not returning to game), if, and only if, a team has used all 7 substitutions, an additional substitution may be granted by the referee.

Any player suspected of suffering a head injury must be evaluated prior to returning to play. If player is being evaluated on-site by a health care professional with possible return to play, the player may temporarily be substituted without the substitution counting against the team's total number of substitutions / regardless of whether team has a remaining substitution available. If the player is cleared to return to the field of play, they must replace the substitute player that entered the field as a temporary substitute when the injury occurred.

Substitutions may occur at any stoppage. However, the referee shall have discretion over all substitutions, and may refuse to allow any substitution if, in his/her opinion, the purpose is to disrupt the game.

7. STANDINGS AND TIEBREAKERS

- a. Game Points: 3 points awarded for a win; 1 point for a tie; zero (0) points for a loss.
- b. Forfeits: In a case where a team forfeits one or more matches, the Competition Committee can remove all game results versus the forfeiting team (those played and those yet to be played). Out of the remaining played games or games to be played, the average points per game will determine placement within the group (winner, 2nd place, 3rd place, etc.). In a case where a wild card is selected for division playoffs (and there is a forfeiting team), teams will be advanced based on average points per game of matches played, regardless of number. In either case, if the average points per game is tied, the rest of the tie breakers can be used to determine placement, including averaging tiebreakers per game if needed (i.e. goals per game).
 - In the event a game is in progress and is abandoned during the play for any reason, the team getting the forfeit win will be either utilize the process outlined above or the score at the time play concluded, whichever is in their benefit.
- c. Tiebreakers: For teams tied in points at the end of a round-robin competition, tiebreaker criteria shall be: 1) head to head competitions (but not in the case of a three-way tie); 2) goal differential (max of 5 per game); 3) total goals (max of 5 per game); 4) fewest goals allowed; and 5) kicks from the mark.
 - In a case where three teams are tied in points but one team has defeated the other teams tied in points, the winner of the two games will advance.
 - In addition, once a tiebreaker is used to eliminate one team (i.e. head-to-head, goal differential, etc.), the next tiebreaker in line will be used to determine the winner or team that advances.
- c. Uneven number of games: If a tiebreaker calculation between two or more teams would be based on a different number of games, points, total goals and fewest goals allowed will be converted into a percentage per game.
- d. Only the Super Group and Premier Group winners from each age group should report to the specific award area after the completion of the team's final game at Regional competition.

8. GAME AUTHORITY AND DISCIPLINE

- a. The referee's decision in all matters related to the field and the game itself shall be final. There shall be no protests of any referee's decision or game result. Referee Evaluation Forms (to be completed by a coach only) are available at usclubsoccer.org or via the administrative/HQ location on-site. No other forms will be provided.
- b. Red cards awarded to players or substitutes during a tournament game or dismissals of team officials shall result in that player or team official being suspended for the next tournament game. The team official shall serve his/her suspension in a game involving the same team when the dismissal occurred, unless the team has no more such games remaining. In this case, the club official shall serve the suspension on the next available game. The Tournament Rules and Discipline Committee shall have the authority to take further disciplinary action should it be deemed necessary.

- c. There shall be no yellow card accumulations. Note that FIFA Circulars #866 and #821 require that a sendoff for a red card or a sendoff after two yellow cards in a game be treated the same. Thus, in both cases, the player must sit out the remainder of that game and the next tournament game.
- d. Suspensions for normal red cards and staff ejections shall not extend beyond the National Cup Regional, state cup or Finals unless disciplinary committee deems otherwise.

- f. If, in the opinion of the referee, it is necessary to terminate a game due to the misconduct of a team or others associated with that team, the game shall be forfeited to the opposing team and the matter shall be referred to the Tournament Rules and Discipline Committee, which may, among other penalties, suspend the team for the remainder of the tournament. If, in the opinion of the referee, the termination is the result of substantially equivalent misconduct by both teams or by persons associated with both teams, the matter will be resolved by the Tournament Rules and Discipline Committee.
- g. At the end of each game, the referee's game report shall be submitted to the Competition Director.
- h. In the event a red card is distributed, the referee shall obtain the delinquent player's/staff member's passcard and take it to the US Club Soccer headquarters tent. After the suspension is served, the coach may come pick up the passcard, unless there is the allegation of referee abuse or the Competition Director/referee feels that additional action is warranted.
- i. For serious discipline matters with the potential to incur penalties beyond the issuance of a red card or staff ejection, a *Competition Incident Report* and a referee's report shall be completed and sent to US Club Soccer. Also, the referee should give the delinquent players' passcards to US Club Soccer.
- j. Discipline for the Tournament shall be under the jurisdiction of US Club Soccer.

9. GAME START TIMES AND RESCHEDULING:

- a. All games shall start at the designated time. A forfeit shall be declared if a team cannot field a minimum of seven (7) players at the start time of the game. However, the Tournament Director shall have the authority to adjust the schedule in cases where a team's arrival has been delayed due to unforeseen travel or weather conditions or other circumstances beyond the control of the team.
- b. Every reasonable effort will be made to complete a game as long as the safety of the participants and spectators is not jeopardized. Should a game not be able to be started or should a suspension of play be required due to safety concerns or unplayable conditions, the referee, coaches, Tournament Director and Competition Director shall consult, but the referee shall have the ultimate authority to either suspend or terminate the game.
- c. If it is not possible to complete a game for the reasons set forth in this section, if the first half is completed, the results shall stand. If the first half is not completed, or if the game is tied, the Tournament Director or Competition Director shall determine whether it shall be rescheduled or another resolution of the matter shall be implemented. The schedule of remaining games shall be a factor in any determination. The teams involved shall be consulted, but the ultimate decision on such resolution shall rest with the Tournament Director and Competition Director and there should be no protests or appeals.
- d. In all cases, the Tournament Director has the ultimate authority to adjust the schedule of any or all remaining games, including shortening the length of games, to arrive at an equitable result and in consideration of the overall integrity of the competition.
