Managers & Coaches,

Welcome to the NPL Postseason! ScoutingZone® is our official onsite scouting/recruiting partner, which connects players and college coaches on the fields at our event. College coaches count on us to deliver accurate roster information, therefore it's a tournament requirement for all teams & players age U-15 and above to register in ScoutingZone.

****Please note that ALL items below must be completed or your team will not be visible to college coaches****

Team Managers must be registered by June 15th**

For teams NEW to ScoutingZone®:

Have your GotSoccer/GotSport ID # on hand for the SZ registration process. www.gotsoccer.com is where you can obtain your GS ID. If you do not have a GotSoccer/GotSport ID, please enter any 5 digit number in that field

1. Go to www.scoutingzone.com - Click: REGISTER & Click: MANAGER
2. Page 1: Select your club name from the dropdown, enter your details – Click: Register
3. Page 2: Enter your team details - Click: Create
4. You will be assigned your SZ Team Code and an email confirmation will be sent to you - **Important info:** **Forward your SZ TEAM CODE & email confirmation to your players** (the player registration instructions are in that email)
 - Managers do NOT add players to the roster. Players register themselves using the SZ Team Code you provide them and will auto-populate onto your roster.
5. “Join” the event for the appropriate NPL Postseason pathway
 - It is imperative that you join the appropriate event or your team will not be visible to colleges. **EXAMPLE: Locate: 2022 NPL Playoffs - West** on right side, choose your age group, Click: JOIN
