

SAMPLE EMAIL TO A COLLEGE COACH:

Dear Coach _____,

My name is _____ and I play for {insert Club and Team Name/Age Group} as a Center Forward. I am a freshman at _____ High School in {City, State}. My current GPA is a 4.1 and I plan on keeping a 4.0 or above all 4 years of high school. Academics are extremely important to me.

I have done lots of research and Vanderbilt as a school and soccer program meets every one of my college search criteria. Vanderbilt fits my ideal school profile, strong academics, is a small private school with a phenomenal soccer program as well as it is in the SEC and that for me is super important. I love everything about what I have read and heard of your school and program! I pride myself on working hard, my coachability and being a great teammate. I hope to one day, be that player/teammate for your program.

I will be playing in {insert name of Showcase/Event} and look forward to the opportunity to play in front of you. I have included below, my first two game times for the upcoming event. I am #7 up top!

Friday, 1/5 @ 9am – My Team (insert team name/club) vs Opponent X – Palm Beach Gardens Complex - Field #3

Sunday, 1/6 @ 11am - My Team (insert team name/club) vs Opponent Y – – Palm Beach Gardens Complex - Field #11
